

## Procurement personnel

Carney Jones has developed a niche for providing procurement and supply chain personnel. Our database contains a separated talent pool of circa 2000 selected procurement staff ranging from interim managers and procurement directors to assistant buyers. Candidates come from a very wide range of industry sectors and are familiar with a diverse range of procurement methodologies which guarantee to add value to the supply chain of an organisation.

### Scope of supply

Assistant Buyers	Buying Controllers
Buyers	Buying Managers
Chief Buyers	Finance Directors
E-Commerce	E-Procurement
Global Purchasers	Procurement Engineers
Procurement Officers	Project Buyers
Principal Buyers	Procurement Analysts
Purchasing Officers	Purchasing Assistants
Purchasing Analysts	Purchasing Agents
Procurement Managers	Purchasing Consultants
Purchasing Clerks	Purchasing Engineers
Purchasing Managers	Senior Buyers
Purchasing Specialists	Purchasing Supervisors
Strategic Sourcing	Interim Managers

We have a constantly updated list of candidates within the supply chain environment looking for new permanent and contract opportunities.

On occasion screening of procurement professionals will be conducted by a select panel from Brian Farrington Ltd, especially where an assignment or position is likely to be particularly demanding. Profiles of Brian Farrington panellists can be found on our 'methodology, expert panels and profiling' page.
